GREAT FEATURES & BENEFITS

- Long life: 10,000 to 12,000 hours
- Excellent lumen maintenance over the life of the product
- Compact size; fits more applications
- InstaBright with Armor Coat lamps' durable coating keeps glass and bulb content contained
- RoHS compliant

InstaBright™ with Armor Coat™

Instantly light a room with strong, warm light (2700K) with TCP's InstaBright lamps. Ideal for use in homes, hotels, offices, retail spaces and residential communities. Try these lamps in ceiling fixtures, wall sconces, closets and vanity strips.

Starts up 2 times faster than average covered CFLs.
