

Transformers & Chime Wire

Quick Install Transformers, Built to Last

Not all transformers are equal. In fact, our transformers feature easy-to-install lock-mount or wall-mount that can reduce installation time by 25%. A second unique feature that provides added reassurance is the thermal cut-off switch designed to shut off the door chime system in the event of excessive temperature.

Stud-mount feature attaches directly to stud.

Lock-mount feature allows you to attach easily to electrical box.

Transformer
C909
