Coleman Cable Wire and Cable Products

Marketed under leading brand names such as Seoprene®, Royal®, Baron™ and Signal®, Coleman Cable manufactures one of the most comprehensive lines of cable and related products available today. Our product offering provides cable solutions

Why Coleman Cable?

- Industry leading brands
- Manufactured in ISO-9000 facilities
- Both cable and assembled products
- Inventory availability:
 - Full Line
 - Multiple Color
 - Reliable Delivery

for virtually any application. Coleman Cable's technical expertise and commitment to innovation ensure the most advanced and highest quality wire and cable on the market.

Packaging Options*

Coleman Cable offers six types of packaging options

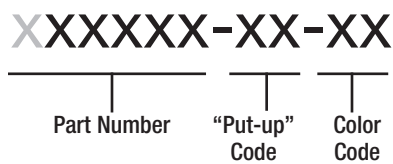

- Baro-Pak™
- Knock-Out Box
- Pull-Out Box (Rabbit Pull™)
- Reels
- Reel-in-Box
- Signa-Coil

All provide fast and easy cable access. Kinks and twists are eliminated. You get tangle-free cable delivery each and every time. These durable, compact designs save on installation time while reducing waste and material costs. They can be easily stacked to save room.

**Not all options are available for each product*
