## HACKSAW BLADE BI-METAL 24 TEETH PER INCH 12 IN. LENGTH

Zoom

Where To Buy

Email To A Friend

### FEATURES

- 24 TPI, 12 inch length, Bi-Metal construction
- Can be used in any 12 inch Hack Saw frame
- 10 blades per pack
- Ideal for cutting carbon steel, drill rod and other solid and large diameter hard materials

Milwaukee Super-Tough Bi-Metal Hack Saw Blades outlast conventional blades up to 3 times longer, which requires fewer blade changes. These Hack Saw blades can be used on any 12 inch Hack Saw frame but performs best under high tension frames. Includes 10 individual blades.
