

Filter out metal fumes

Welding and metal pouring respirators all feature the proprietary 3M™ Cool Flow™ Exhalation Valve.

N95 Respirators

8214 (N95) AAD #07187

A respirator designed for applications where metal fumes are present, including those with ozone* and nuisance level **organic vapors.**** Plus a comfortable foam face seal.

Potential Applications: Welding, particularly with stainless, galvanized and aluminum, metal pouring.

8212 (N95)

Long-lasting comfort in tough environments. Features include welding web, cake-resistant filter media, nose foam, adjustable noseclip, and buckle straps. Plus a comfortable foam face seal.

Potential Applications: Welding, metal pouring.

8514 (N95)

A respirator designed for applications where metal fumes are present, including those with ozone* and nuisance level **organic vapors.****

Potential Applications: Welding, particularly with stainless, galvanized and aluminum and metal pouring.

8512 (N95)

Long-lasting comfort in tough environments. Features include welding web, cake-resistant filter media, nose foam, adjustable noseclip, and buckle straps.

Potential Applications: Welding, metal pouring.

8515 (N95) AAD #07189

An economical option for welders. Features welding web, adjustable M-Noseclip, and braided headbands to help provide a custom and secure seal.

Potential Applications: Welding, metal pouring.

8516 (N95)

Designed specifically for metal pouring applications in the aluminum industry. Helps protect against certain non-oil based particles, including those with nuisance levels of **acid gases**** such as sulphur dioxide, hydrogen fluoride, and/or chlorine.

Potential Applications: Metal pouring.

IMPORTANT: All 3M products shown in this catalog must be used in accordance with the OSHA regulations and the user instructions, warnings, and limitations accompanying each product.

Cool Flow™ Exhalation Valve

Proprietary one-way valve for easy exhalation and cool comfort.

Face Seal

A more comfortable and secure fit, with this soft face seal that conforms closely to the face.

P-Series Filter

Get prolonged protection in oil environments, made possible with proprietary Advanced Electrostatic Media.

M-Noseclip

Easily adjustable for fewer pressure points and greater comfort.

Cake-Resistant Filter Media

Long-lasting, easier-breathing comfort with proprietary layered filter media, specifically designed for welding.

WARNING

These respirators help reduce exposures to certain airborne particulates. Before use, the wearer must read and understand the *User Instructions* provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M PSD Technical Service in USA at 1-800-243-4630 and in Canada at 1-800-267-4414.
