

PRODUCT:

UTILITY SUNSCREEN SPF 30+

UTILITY SUNSCREEN

4022

40223

40230

THE BASICS:

- People who work outdoors are in particular risk from the harmful rays of the sun. The sun's rays can damage your skin throughout the year, not just in summer. Snow and ice are powerful reflectors of the sun's rays. Pay special attention to protecting your nose, hands, and ears - even your scalp if you have thinning hair.
- UTILITY SUNSCREEN is a SPF 30 formula that gives all day protection. It is also greaseless and waterproof. Because UTILITY SUNSCREEN is NOT greasy, it does NOT affect your grip on tools and equipment.
- Protecting the skin with UTILITY SUNSCREEN helps prevent sunburn, skin cancer, and premature aging associated with frequent and lengthy sun exposure.
- UTILITY SUNSCREEN has been thoroughly tested and found to be safe on rubber lineman's gloves per ANSI/ASTM D120, ASTM D412, ASTM D471.
- UTILITY SUNSCREEN is available in a 4 oz bottle (4022), a 2 oz. spray pump bottle (40223) and a single-application pouch (40230). This product is packaged with 100 pouches per disposable wall-mount dispenser box.

APPLICATIONS:

Use UTILITY SUNSCREEN year round to protect the skin from the harmful rays of the sun. Apply to any skin that has frequent or prolonged sun exposure including:

- Arms
- Ears
- Face
- Hands
- Neck
- Nose
- Scalp

Single-Application Pack #40230
