## Kits

### CM7646 Ball Camera Kit

CM7646

### BALL CAMERA KIT

Featuring two ball cameras, this kit delivers a crisp video image over Cat 5e cable. The color cameras are optimized for low light conditions and are weatherproof, enabling outdoor installations. Each camera, available in the Studio design, ships with both in-wall and in-ceiling mounting plates.

#### KIT CONTAINS

|                            |                         |
|----------------------------|-------------------------|
| 2 Ball Cameras (CM5002-WH) | 1 Patch Cable (CM1017)  |
| 1 Camera Module (CM1011)   | 1 Power Supply (PW7725) |
| 1 Modulator (F1003)        |                         |

Notes: Requires part number CM1026 for audio use.

### CM7644 Cat 5e Color Camera Kit

CM7644

### CAT 5E COLOR CAMERA KIT

Give your homeowners peace of mind with this all-in-one camera kit. Featuring two color bullet cameras, the kit uses standard Cat 5e wire to deliver a crisp video image, audio, and power back to the wiring panel. Included cameras are weatherproof and good for indoor or outdoor applications.

#### KIT CONTAINS

|                          |                         |
|--------------------------|-------------------------|
| 1 Camera Module (CM1011) | 1 Patch Cable (CM1017)  |
| 2 Color Cameras (F2299)  | 1 Power Supply (PW7725) |
| 1 Modulator (F1003)      |                         |

Notes: Requires part number F7642 (Camera Microphone) for audio use.

### CM7645 Cat 5e Black and White Camera Kit

CM7645

### CAT 5E BLACK AND WHITE CAMERA KIT

This black and white camera kit features the same capabilities as the color camera kit, but in a more affordable package. Based on Cat 5e cabling, installation is cost effective and simple. Included cameras are weatherproof and good for indoor or outdoor applications.

#### KIT CONTAINS

|                          |                         |
|--------------------------|-------------------------|
| 1 Camera Module (CM1011) | 1 Patch Cable (CM1017)  |
| 2 BW Cameras (F2284)     | 1 Power Supply (PW7725) |
| 1 Modulator (F1003)      |                         |

Notes: Requires part number F7642 for audio use.
