

# IyriQ High Performance, Multi-Source Charge & Play Four-Zone Kit in Studio Design

AU5844-WH

The IyriQ High Performance Kit is the perfect way to provide serious audiophile sound in a smaller package. Enjoy high-fidelity audio from four different sources in four different rooms or zones, including the patio. The included Charge & Play input supports the charging of most tablets, smartphones, and digital music players via convenient USB port and the player manufacturer's cord. Left and right stereo inputs provide crystal clear sound – just plug and play – while the included Universal Smart Cradle desktop stand securely holds any device connected to the system.
