Superior Durability

Easy Application

## Use ToughStripe® Floor Marking products to mark:

- Aisleways and traffic lanes
- Work cell outlines
- Equipment storage areas
- Material storage areas
- QA inspection areas
- Defects/scrap/rework areas
- "Keep clear" zones
- Hazard areas

## Superior Durability

- Withstands forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches
- Rugged polyester with ultra-aggressive adhesive

## Easy Application

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

## High Visibility

- High-gloss surface shines like new paint
- Low profile minimizes debris buildup along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges
- Available in a variety of high-impact stock and custom colors

## Diecut Shapes

- Dashes, dots, arrows, footprints, and corner marks
- Longer lasting markings – Minimizes the risk of damage and facilitates fast repair

## Pre-Spaced Shapes

- Dots, arrows and dashes packaged in rolls and evenly spaced 18" apart on a continuous liner eliminates the need to apply markings one by one
- Quick and easy one person installation; simply lay down the line like a continuous tape, and then remove the clear transfer tape from on top of the floor markings
- Quickly lay straight, evenly spaced shapes
- Ideal for high traffic areas – if damaged only replace damaged shapes

## Painless Removal

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor

## ToughStripe® Floor Tape Adhesion Rates

\* For maximum performance, apply ToughStripe Floor Marking products to flat, non-coated concrete.

# ToughStripe® Floor Marking Tape
