

Lockout/Tagout

Your Safety is our #1 concern.

A leader in personal safety for professional electricians, IDEAL Safety, Health and Environment products comply with ASTM requirements and OSHA regulations.

Every day we are protecting lives with the products we provide from 1000 volt insulated tools to Lockout/Tagout equipment, Clamp Meters, S-Class® Fish Tapes, specialty connectors and more!

IDEAL continuously works on methods and equipment that provide the maximum in performance to assure your safety and health while delivering better environment solutions that leave a small footprint.

Training...essential in keeping you safe whatever the job.

The proper use of materials and tools can mean the difference to your personal safety and health. IDEAL provides state-of-the-art training to give you the best methods and utilization of this equipment through hands-on demonstrations, peer discussions and on-site applications.

- Training consists of several proven methods
- Lockout/Tagout Safety and Procedures
 - Arc Flash Safety and 1000V Insulated Tools
 - Test and Measurement Equipment and procedures

For more details on available training programs, contact your IDEAL sales representative.
