Interfaces

363486-01 8-Port Network Interface Module

363486-01

8-PORT NETWORK INTERFACE MODULE

The module supports termination of up to eight Cat 5e cables for interconnection to a local area network or digital data services. It provides a termination point for telephone cable runs and features front-mounted 110 style blocks for Cat 5e cable punchdown connections.

Notes: Bracket included. Power supply required (see page 41). 3" H x 6.5" W

AC1000 6-Port Network Interface Module

AC1000

6-PORT NETWORK INTERFACE MODULE

This Cat 5e-rated module supports cost-effective connectivity for up to six networked computers via 110 style punchdown to RJ45 modular jacks that snap into the plate. Unpopulated version also available (AC1001).

Notes: Bracket included. 3" H x 6.5" W

AC1012 6-Port Cat 5e Network Interface Module

AC1012

6-PORT CAT 5E NETWORK INTERFACE MODULE

This simple plug and connect patch panel meets Cat 5e specifications and provides connectivity for up to six data network or voice connections. The blank keystone openings can be used to create an Auxiliary Disconnect Outlet (ADO). Features 110 style punch downs in rear.

Notes: Bracket included. 6" H x 6.5" W.

AC1013 6-Port Cat 6 Network Interface Module

AC1013

6-PORT CAT 6 NETWORK INTERFACE MODULE

This simple plug and connect patch panel meets Cat 6 specifications and provides connectivity for up to six data network or voice connections. The blank keystone openings can be used to create an Auxiliary Disconnect Outlet (ADO). Features 110 style punch downs in rear.

Notes: Bracket included. 6" H x 6.5" W. Labeled for both T568A/B wiring standards.

AC1014 12-Port Cat 5e Network Interface Module

AC1014

12-PORT CAT 5E NETWORK INTERFACE MODULE

This 12-port module allows a home network to be reconfigured with patch panel simplicity. It meets Cat 5e specifications and includes numbered ports for easy connectivity. Features 110 style punch downs in rear.

Notes: Bracket included. 6" H x 6.5" W. Labeled for both T568A/B wiring standards.

AC1015 12-Port Cat 6 Network Interface Module

AC1015

12-PORT CAT 6 NETWORK INTERFACE MODULE

This 12-port module allows a home network to be reconfigured with patch panel simplicity. It meets Cat 6 specifications and includes numbered ports for easy connectivity. Features 110 style punch downs in rear.

Notes: Bracket included. 6" H x 6.5" W. Labeled for both T568A/B wiring standards.
