In-Wall Connection Kits

VIEW OUR VIDEO: HOW TO HIDE FLAT SCREEN TV CABLES WITH THE IN-WALL TV POWER KIT

HT2202-WH-V1 In-Wall TV Power Kit

HT2202-WH-V1

IN-WALL TV POWER KIT

Easily hide power and AV cables inside the wall without modifying the homes electrical wiring. This kit includes everything needed to extend power for wall mount TV installations while providing the ultimate flexibility with the innovative decorator based power inlet strap and the recessed box with duplex power receptacle.

HT2102-WH-V1 Flat Panel TV Connection Kit

HT2102-WH-V1

FLAT PANEL TV CONNECTION KIT

Provides recessed power and cabling connections for flat panel and TV installation. Manages excess cable via in-wall storage, and provides convenient access to back of TV when needed.

HT2103-WH-V1 Home Theater Connection Kit

HT2103-WH-V1

HOME THEATER CONNECTION KIT

This kit provides recessed power and cabling connections for Home Theater installation. Manages excess cable via in-wall storage, while providing slack for convenient access to back of TV when needed.

AC2102 TV Box - New Construction Bracket

AC2102

TV BOX - NEW CONSTRUCTION BRACKET

The AC2102 provides support in new construction applications for both the two and four opening recessed TV boxes. A cable tie loop keeps cables accessible and safe until installation. The heavy gauge metal frame includes a guide for simple rotary tool cut outs. The bracket is easily locatable behind dry wall with a stud finder.
