

Carbon Monoxide Alarms

120V AC PLUG-IN CO ALARMS

C0604B OR C0605B with battery back up

- Economical Cost Effective CO Alarm
- Advanced Electrochemical CO Sensor
- Silence feature - temporarily silence an unwanted nuisance alarm
- 9V battery backup
- 7 Year End-of-life/7 year warranty

C0614B with battery backup and display

Same features as above plus:

- LCD display with memory- clearly shows the hazard and level

Multi-family Manager Tip: 9V batteries are less prone to tenant theft for use in other electronic devices due to their infrequent usage by manufacturers.

C0600B

- Advanced Electrochemical CO Sensor
- Silence feature - temporarily silence an unwanted nuisance alarm
- 7 Year End-of-life/7 year warranty

C0615B with battery backup and display

Same features as above plus:

- Large display - clearly shows the hazard and level
- Front-access battery compartment - allows easy battery replacement
- Two AA battery backup
- Line Cord Option: Unit plugs directly into the wall or can be mounted higher on the wall using the line cord

Save 33% on annual battery replacement costs -
Features 2 AA batteries vs. 3 for competitive products.
