

P200 Player

NV-P200-NA

With the P200 wireless player, give a room of your home instant access to endless music options, whether from your personal collection, the expansive libraries of Internet Radio, or even a Bluetooth-enabled device, always delivered in incredible fidelity.

Outside North America? Use -EU, -UK or -AU when ordering.

features & benefits

- Your music anytime, anywhere, with quick access to music from your PC or Mac.
- Pandora, TuneIn, Rhapsody, and SiriusXM are all at your fingertips with Internet Radio streaming directly to your NuVo System.
- Mastering-grade, high-fidelity audio is delivered to every area of your home, and kept perfectly in sync, even when all rooms are playing the same tune.
- Connect any analog device and listen to it instantly.
- Connect any Bluetooth device, wirelessly, using the lossless aptX™ Bluetooth feature, so you can stream any audio from your personal device directly to your home NuVo system in high-definition.
- The NuVo Gateway ([GW100](#)) is required for operation.
