

Tool Carriers/Pouches

Premium Leather Line

Top of the line tool carriers are handcrafted from top-grain cowhide and slow tanned in natural oils to enhance the leather's inherent strength. Each bag is hand waxed for lasting protection against stains and moisture and is warranted for life. Available in natural or black leather.

Standard Leather Line

Leather that stands up to the job like no other material, these tool carriers are constructed of top-grain, natural cowhide and tanned for added strength and durability. Color ages to a deep tan over the years.

Fabric Line

Durable, lightweight, portable tool totes in rugged nylon polyester provide the perfect tool storage. Convenient pockets mean easy access; inner compartments keep tools organized and safe when not in use.
