

# Paints & Flags

## Marking Paint (Solvent Based)

Excellent for use in marking construction areas, excavation sites, traffic safety, athletic sites, survey crews, utility line, buried cables, and much more. May be used on asphalt, concrete, gravel, dirt, and grass. Unique upside-down spray system for application versatility. High solids formula produces a highly visible coating. Lead-free, VOC compliant formula. Coating lasts approximately 30-90 days, depending on environmental conditions. Available in all APWA colors - please inquire.

**Colors Available:**
